HIPAA AUTHORIZATION TO USE AND DISCLOSE HEALTH INFORMATION

I understand that once the releasing entity discloses my health information to the recipient, the releasing entity cannot guarantee that the recipient will not re-disclose my health information to a third party. The third party may not be required to abide by this Authorization or applicable federal and Illinois law governing the use and disclosure of my health information.

I understand that the releasing entity may, directly or indirectly, receive remuneration from a third party in connection with the use or disclosure of my health information.

I understand that the releasing entity may deny this request under limited circumstances as provided for under federal and Illinois law protecting the privacy of health information. I further understand that, except as otherwise permitted under applicable law, I have the right to have a denial of my request reviewed by a licensed healthcare practitioner selected by the releasing entity who did not participate in the releasing entity decision to deny my request.

I understand that I may at any time make a written request to the releasing entity to inspect and/or obtain a copy of my health information, and that the releasing entity will within thirty (30) days of receiving such written request, either grant the request and contact me to arrange for a convenient time to inspect and/or copy my health information or provide me with a written denial of the request that states the basis for the denial, my review rights (if any), and instructions as to how and to whom I may register a complaint regarding the denial.

I understand that I may refuse to sign or may revoke (at any time) this Authorization for any reason and that such refusal or revocation will not affect the commencement, continuation or quality of my treatment at Memorial Health; except, however, if my treatment at Memorial Health is for the sole purpose of creating health information for disclosure to the recipient identified in this Authorization, in which case Memorial Health may refuse to treat me if I do not sign this Authorization.

I understand that this Authorization will remain in effect until the term of this Authorization expires or I provide a written notice of revocation to the releasing entity's records release department. The revocation will be effective immediately upon the releasing entity's receipt of my written notice, except that the revocation will not have any effect on any action taken by the releasing entity in reliance on this Authorization before it received my written notice of revocation.
