2022 Springfield Old Capitol Art Fair

It's almost that time again! We hope that you will consider being a Corporate Patron for the Springfield Old Capitol Art Fair (SOCAF), which will be held **May 21 and 22, 2022** in historic downtown Springfield, Illinois! Your generous support helps to make SOCAF one of the most popular juried art fairs in the country!

Originating in 1961, SOCAF operates as a non-profit organization run entirely by volunteers. Our mission is to enhance the appreciation of arts within our community. The impact of our efforts is evident by our extensive Civic Collection on display throughout the Springfield area as well as the exceptional community support for this much-loved downtown tradition.

Whether you are an art aficionado or simply enjoy attending a relaxing weekend event downtown, SOCAF offers the opportunity to view or purchase original art in many forms. Each year **more than 45,000 people**, including 170 artists and their loyal following, converge on downtown Springfield to appreciate art. Your financial support of SOCAF provides you and your company the opportunity to show your support for the arts and culture in our community. Our corporate patrons make this event possible year after year!
