

Protocol Committee

The Spring 2026 Protocol Updates are scheduled to go into effect March 9. There will be a Protocol Committee meeting on Friday, Dec. 19 at 1400. Each agency is welcome to have one representative attend. That person must be available to attend via Teams call at this scheduled time. Those interested can email me at krueger.zachariah@mhsil.com. As always, feel free to email me protocol ideas, needed corrections and noted discrepancies at any time.

Memorial EMS – Did You Know?

EMS Providers will notice that ED physicians across Memorial Health will be handing out the latest edition of the attached “Memorial EMS – Did You Know” flyer to them when they transfer care of their patient. Subjects will change each month. This is an ongoing process to improve communication of EMS-related topics directly to the EMS provider hand to hand with our ED physicians. It is designed to stimulate conversations and questions that can be bi-directional.
