

ADDITIONAL EMS EXAM ATTEMPTS

Illinois Administrative Code

Section 515.530 EMT, A-EMT, EMT-I and Paramedic Testing

<http://www.ilga.gov/commission/jcar/admincode/077/077005150D05300R.html>

1. Candidates have 3 attempts to pass the exam within 12 months after initial authorizations to test.
2. After 3 FAILED ATTEMPTS this requires remedial training before approval for additional attempts.

Certification Level	Hours of Remedial Training
EMT	24 hours
AEMT	36 hours
Paramedic	48 hours

Memorial EMS is recommending Limmer Education Remediation Education
[Remediation Courses – Limmer Education, LLC](#)

3. After the remedial training, the candidate must submit their documentation to support@nremt.org, along with their application ID number.
 - a. <https://nremt.org/Document/Support-Center-Retesting>
 - b. please do not upload remedial training until all three failed attempts have been taken, or it could shorten the number of total attempts allowed.
4. Once the candidate has successfully passed the NREMT exam they will email their pass results to their course instructor. Instructor will forward to the EMS System.
5. EMSSC will complete a T-card packet (Transaction card, personal history statement, CPR card, and copy of successful completion of the NREMT) and submit to IDPH for the license to be created.
