This letter shall serve as a commitment by Central Illinois Regional Dispatch Center as a Participating EMD Provider in Decatur Memorial EMS.

As outlined in 77 Ill Adm. 515.710 of the EMS rules and regulations, Central Illinois Regional Dispatch Center commits to continuous compliance with all applicable provisions of the EMS Act and Code, including the following:

- To use the emergency medical dispatch priority reference system Priority Dispatch that complies with this Section and is approved by the EMS Medical Director on every request for medical assistance; and
- To establish a continuous quality improvement (CQI) program under the approval and supervision of the EMS Medical Director. The CQI program (attached) includes, at a minimum, the following minimum requirements:
  - Identification of EMD compliance with the EMS Medical Director approved protocol(s) that include random case review(s) and regular constructive feedback of performance results to all EMDs.
- In addition, Central Illinois Regional Dispatch Center agrees to submit all CQI reports to the Department upon request; and
- Agrees to comply with the confidentiality provisions of the Medical Studies Act [735 ILCS 5/8-2101].

Attached is an Employee Roster with name, Illinois EMS License, and expiration date of all of our Emergency Medical Dispatchers.

Attached is a list of entities Central Illinois Regional Dispatch Center provides telecommunications for, such as any Sheriff, Police and Fire Departments, EMS Ambulance Providers, and First Responders.
