

Memorial Choice at a Glance

With your employer-provided insurance plan and Memorial Choice, you are entitled to a range of unique services intended to help you reduce your healthcare costs and live a healthier lifestyle.

You do not have to be a Memorial Care patient in order to use some of these services; however, to access the full range of benefits with Memorial Choice, you will need to transfer your care to Memorial.

ARE YOU A MEMORIAL CARE PATIENT?

	NO	YES
\$0 copay for select primary care at Memorial Care
