

## Opportunities for Learning Online

What is FOAMed? Free and Open Access Medical education

- Join the conversation on Twitter using #FOAMed

Where do I start?

Visit any of the following blogs/sites:

- EM Crit [www.emcrit.org](http://www.emcrit.org)
- EMS 12-Lead [www.ems12lead.com](http://www.ems12lead.com)
- Geeky Medics [www.geekymedics.com](http://www.geekymedics.com)
- Life in the Fast Lane [www.lifeinthefastlane.com](http://www.lifeinthefastlane.com)
- Academic Life in Emergency Medicine [www.aliem.com](http://www.aliem.com)
- PHARM: Prehospital Medicine and Retrieval [www.prehospitalmed.com](http://www.prehospitalmed.com)

Want more?

- Use a feed organizer such as feedly [www.feedly.com](http://www.feedly.com)
- Follow FOAM trends [www.reddit.com/r/foamed](http://www.reddit.com/r/foamed)
- To search for a specific topic [www.googlefoam.com](http://www.googlefoam.com)
