Every year, LMH colleagues have the opportunity to make a difference in our organization by giving back through the Colleague Giving Campaign.

Whether big or small, these gifts have a great impact on our colleagues and the people and communities we serve. Your donation will remain local, helping fund initiatives to improve the health and well-being of your co-workers, friends and neighbors here in Lincoln and the surrounding community.

Unrestricted Donations

The needs of our hospital and community are ever-changing. Unrestricted donations allow LMF the flexibility to use the funds where the need is greatest.

Restricted Donations

You can choose to direct your donation to a program or area that you're passionate about:

- Healthcare Career Education
- Colleague Assistance Fund
- Medical Technologies
- Community Health Collaborative

Healthcare Career Education

Healthcare career education grants support LMH colleagues as they pursue advanced degrees, certifications and continuing education. Your donations help grow a strong pipeline of healthcare professionals to support our community today and for generations to come.

Community Health Collaborative

The Community Health Collaborative takes our mission outside the hospital walls. Your donations help us improve the health of our community with initiatives like The LMH Market, The Trailblazers Walking program, substance use prevention, youth mental health and more.

Medical Technologies

Gifts to the Medical Technologies Fund support the purchase of advanced medical equipment that enables clinicians to provide a higher level of care. Your donations help us keep up with the fast-paced changes in medical practice.

Colleague Assistance Fund

LMH is proud to facilitate the colleague assistance program for colleagues who are experiencing a severe financial hardship. Your donations directly help relieve financial burdens of the colleagues working alongside you.
