Dear Ms. Love,

It is my pleasure to inform you that Springfield Memorial Hospital has received renewal of their Emergency Department Approved for Pediatrics (EDAP) status within Emergency Medical Services Region 3 in the State of Illinois.

This recognition status is effective until 2026.

The contributions that Springfield Memorial Hospital has made to the Emergency Medical Services for Children (EMSC) Facility Recognition program over the last several years is recognized and appreciated. Springfield Memorial Hospital is encouraged to continue the provision of quality pediatric emergency care as well as assisting in the delivery of care within EMS Region 3.

Feel free to contact me at 217-785-2083 or Kelly.Jones@illinois.gov for any questions that you may have.

Sincerely,

Kelly Jones BSN, RN
EMSC Coordinator
